Financial Policy

We would like to thank you for choosing our office for all of your dental needs. Patients usually have questions regarding office policy and such and we would like to take the opportunity to explain them to you so there will be no misunderstanding later. This is for new and established patients. We want to make your visit a pleasant one. Please read and sign a copy of this before we provide any treatment.

INSURED PATIENTS:

We welcome all patients and most insurance plans. Please be aware that not all insurance plans will pay to us. Please be aware that all insurance deductibles and non-covered charges need to be paid in full at time of service. This will require that you present your current insurance card at each visit. If you present an expired card, or inaccurate information we will be unable to bill your insurance company and you will be responsible for the total amount of billed services. It is your responsibility to know your insurance plan. If you are in doubt as to whether a procedure is covered, please call your plan's member services department prior to the service. Our office cannot be responsible for out-of-pocket expenses incurred as a result of utilizing the wrong provider or having undergone non-covered procedures. Even a verbal verification of benefits by your insurance company is never a guarantee of payment. Your care is our responsibility; your bill is your responsibility. Balances in excess of 30 days must be paid prior to any additional services being rendered, unless you are on a CareCredit payment plan.

UNINSURED PATIENTS:

We welcome our uninsured patients. Please know that payment in full is due at time of service for all office visits and/or procedures. We accept Visa, Mastercard, Discover, cash, debit cards, checks and CareCredit.

Initials _____

DIVORCES:

The adult who brings the minor patient for services to be rendered is responsible for payment. All deductibles and non-covered charges will also be their responsibility. Please remember that divorce is a civil action between husband and wife and your bill is still payable and due. Divorce does not cancel financial responsibility for your minor children you bring in for treatment.

NO SHOW APPOINTMENTS:

We realize that sometimes things come up and you are unable to keep an appointment. It is requested that you call at least 24 hours in advance to cancel your appointment. If 24 hour in advance is not possible, please call as soon as possible. We do reserve the right to charge you \$25.00 for each broken appointment. We do attempt to call to remind you of the appointment, but ultimately it is the patient's responsibility.

Initials _____

RETURN CHECKS NSF:

There will be a \$30.00 service fee on all returned checks. Returned checks must be taken care of promptly or this will be turned over to a collection agency or possibly small claims court. Additional charges will apply.

Initials _____

DELIQUENT ACCOUNTS:

In the event that an account remains unpaid we have made several attempts to collect your balance, then the delinquent account will be reported to Retail Merchants or possibly filed with small claims court. Additional charges will apply. This will result in a blemish on your credit report if unpaid. They do report to Equifax, Experian and Trans Union.

HIPPA:

Please read the Notice of Privacy Practices included in the new patient paper work.

Thank you for understanding our financial policy. Please let us know if you have any questions or concerns. Your understanding of our financial policy is important to our professional relationship.

I have read and understand the TYLER DABEL Financial Policy. I understand that ultimately I am responsible for payment in full of any outstanding balances incurred during the course of treatment.
